Diploma in information technology

Government polytechnic

2020-2023

percentage:73.4

college,purasaiwalkam,nammalwarpet,chennai6000-12

WORK EXPERIENCE

Summer Intern – Java Backend & Spring Boot Development

Top Tech Developers | Chennai

Jul 2025 – Aug 2025

- Contributed to the backend development of an e-commerce application using Java, Spring Boot, and RESTful APIs.
- Developed and tested REST endpoints for core modules such as products, users, and orders, following MVC architecture.
- Used Spring Boot features like dependency injection, controllers, and service layers to build modular backend components.
- Strengthened problem-solving, debugging, and API testing skills while working on Java-based backend services.

Summer Intern – Next Generation Data Networking (IoT)

Bharat Sanchar Nigam Limited (BSNL) | Chennai

Jul 2022 – Aug 2022

- Completed a 2-month internship during Diploma in Information Technology, gaining exposure to IoT architecture, data communication, and modern networking technologies.
- Observed real-world telecom network operations and developed a practical understanding of connected systems and data networking concepts.
